

Generation 2.0
For Rights Equality & Diversity

INVITATION
Screening of the Documentary “New Generation Got Game”

Dear friends,

It is a pleasure to invite you to the screening of our **documentary “New Generation Got Game”** that will take place on **Wednesday June 22, 21.00, at Technopolis City of Athens.**

The documentary covers the second intercultural basketball tournament, organized by Generation 2.0 in June 2015. The focus is on the participants who reflect what we call “New Generation of Greek Citizens” and share their experience for both this different tournament and their lives in the Athenian neighborhoods. They are young people with diverse national and cultural backgrounds, who grow up and live in Athens, and in this tournament, not only they played basketball, but they became friends, they smiled and they showed everyone that diversity is not an obstacle to friendship and to the establishment of strong bonds with the city, the fellow-citizens and the wider Greek society.

In March 2016 the documentary was screened for the first time in Thessaloniki, taking part in the 18th Documentary Festival, while this is the first time it will be screened in Athens. The documentary is in Greek with English subtitles and the amphitheater is accessible to persons with disabilities.

Wednesday June 22
at 21.00
Technopolis City of Athens
Gasholder 1-Amphitheater
Free entrance

We would be honored by your presence.
Kind Regards, Generation 2.0 RED
